THE FUTURE OF THE REGION WORKSHOP

SCAG's **Community, Economic and Human Development Committee (CEHD)** invites you to review the draft **Regional Comprehensive Plan (RCP)** and participate in a dialogue on the future of the region. The Committee, along with the Regional Comprehensive Plan Task Force, is hosting at least **4 public workshops** prior to developing a final RCP. This second workshop will be held on April 22 at the Huntington Beach Public Library from 1:30 pm to 3:30 pm. This workshop will focus on the following RCP chapters: land use, open space, and transportation. A number of well-known and insightful speakers are currently being contacted and confirmed for this workshop. More details will follow soon.

Future workshops are being planned, with the following tentative schedule and topics:

- ▶ **MAY** Energy, Solid Waste, and Water
- ▶ **JUNE** RCP Overview
- ▶ **JULY – OCTOBER** Additional workshops may be scheduled

RSVP TODAY

Please come be a part of this important process. To RSVP, contact Jacob Lieb at 213.236.1921 or RCPInfo@scag.ca.gov. Learn more about future workshops at www.scag.ca.gov/rcp.
